Written by Liam Chilton

Key - B, Tempo - 77, Time - 4/4

VERSE 1

B/D# Esus2 B
Your glory, Lord, is shining bright
G#m7 F#sus
Through all that you have made
B/D# Esus2 F#sus G#m7
All chaos fled your grand design
Esus2 F#sus B
As beauty took its place
Esus2 F#sus
You breathed a word, made rivers burst
G#m7 E
You gave the tree of life
B Esus2 B
The love of God now overflows
B/D# E B
Through all that you provide

VERSE 2

Your glory shines as we behold
The face of Jesus Christ
His words and deeds have power to flood
Our darkened hearts with light
There on that tree of calvary
Christ's life came pouring forth
His death has paid the price for sin
And given us new birth

VERSE 3

We'll see the glory of our God
When earth has been reborn
The sun and moon will shield their eyes
At the brightness of the Lord
Your bride will feast around that tree
Where healing rivers run
At last the old has passed away
Behold the new has come.
